

## **Parochial Church Council Report for 2017/2018**

The PCC held 4 full Meetings during 2017/2018 in May, September and November 2017 and February 2018. The Minutes of each full meeting are displayed in the publicity area in the back of the church, together with a list of current PCC members.

There are 9 Groups (Fabric, Worship and Music, Education, Finance, Outreach, Pastoral, Charities Support Group, Mothers' Union and Social Committee) which report to the PCC at each meeting, together with a report from the Deanery Synod representative and Windhill Churches Centre. These Groups are empowered to make decisions and carry out most of the activities in and around the church. For matters which require a full PCC decision, these groups bring a proposed resolution to the meeting. The Choir Committee (formerly Music at St Michael's) report through the Worship and Music Group. You can read about the activities of all these groups and committees over the past year in the reports which follow.

Members of the congregation are welcome to bring any matters of concern at any time to our PCC lay representatives, or to volunteer to be a member of a particular group or committee.
